

twofour

AMERICA

Twofour is an award winning international factual, features & entertainment television producer and digital agency, with offices in the UK, US and Abu Dhabi. In the last year, Twofour produced over 200 hours of original broadcast programming across all major UK and international broadcasters. More information about our spectrum of programming is available at: www.twofour.co.uk

We have existed In the United States for eight months. In that time we have begun production on a six-part series for Discovery, and have multiple projects in development at different networks, including A&E, History, Lifetime and Animal Planet.

Danny Villa - Executive Vice President

Danny runs the LA based operation, focusing on producing non-scripted programming and adapting Twofour's successful UK formats for the US market. Danny joined Twofour from OWN: Oprah Winfrey Network, where he was Vice President of Programming and Development. Prior to that, he was Vice President for Wilmer Valderrama Enterprises and Senior Director of Talent & Series Development for MTV networks, working on a raft of shows including Punk'd and Yo Momma, as well as the launch of MTV's Latin Network.

Seth Goolnik - Vice President of Development

Seth heads up Twofour's Los Angeles-based development department. Seth joined Twofour from Raw TV where he was Head of Development creating hit Discovery reality series Jungle Gold, as well as high profile series for Discovery International, ID, Channel 4, BBC3, and Animal Planet. Prior to this he worked at Plum Pictures as a Director/Producer and Development Producer. He began his career as a Broadcast Journalist for BBC News.
